

New Year's Eve 2025

From 6.00pm the New Years Eve celebrations begin with Black Jack and Roulette tables in the Bar Lounge. At the start of the evening everyone receives the same amount of chips, but the person with the most chips at the end of the evening wins a prize!

We will be serving pre-Dinner drinks and Chef's homemade canapés in the Bar Lounge, then through to the Restaurant at 8.00pm for our 8 Course Black Tie Gala Dinner.

Our pianist will play throughout the evening, continuing until the countdown to midnight. Once we reach midnight why not treat yourselves to a glass of fizz and toast in the New Year.
